Privacy Policy

Last Updated: February 2026

Your privacy is important to us. This policy explains how Spendify collects and protects your data...

1. Information We Collect

At Spendify, we collect information to provide better services to our users. This includes your name, email address, and encrypted password credentials provided during registration.

2. How We Use Information

We use the information we collect to maintain your profile, provide customer support, and ensure the security of your financial tracking data.

3. Data Security

We implement a variety of security measures to maintain the safety of your personal information. Your password is never stored in plain text and is handled through secure protocols.

4. Your Rights

You have the right to update your profile information or delete your account at any time through the Spendify Settings dashboard.

Terms and Conditions

Effective Date: February 2026

1. Acceptance of Terms

By accessing the Spendify dashboard and using our services, you agree to be bound by these terms. If you do not agree, please do not use the application.

2. User Accounts

You are responsible for maintaining the confidentiality of your account credentials. You agree to notify us immediately of any unauthorized use of your account.

3. Account Management

Users have the right to update their profile information, including name and email, via the settings interface. Abuse of the system may lead to account suspension.

4. Termination

You may delete your account at any time using the "Delete account" feature located in your settings profile section. This action is permanent and cannot be undone.
